Driving Machine

## The new BMW Z4 in 3D. **Create your own Expression of Joy.**

With our state-of-the-art 3D technology you can get behind the controls of the new BMW Z4 without even leaving your seat. Getting started couldn't be easier. Just follow the simple instructions below.

- 1.** If you haven't already, download the application from [www.bmw.co.uk/z43d](http://www.bmw.co.uk/z43d) and follow the installation instructions.
- 2.** Print out the Z4 symbol on page 1.
- 3.** Turn on your webcam.
- 4.** Lay the Z4 symbol flat on a surface in front of your webcam.
- 5.** Use your computer keys to take your Z4 for a drive.
- 6.** Change colour and direction whenever you want and create your own Expression of Joy.
